Fall Arrester NIRO with Kernmantle Rope and Energy Absorber

Product information

- Works on 12 mm diameter Polyester Kernmantle rope anchorage line; incorporated permanently on the anchorage line, and comes with an energy absorbing element.
- The anchorage line has a steel screw-locking karabiner FA 50 101 17 on one side and a knot on the other side.
- The sewing is protected with a strong transparent covering sleeve which protects the end and also makes the stitches visible for easy inspection prior to use
