

## Superclamp R

### Product information

**General:** Developed for standard rail sections, the clamp provides a reliable and secure grip on the rail when tightened. Its lightweight, versatile adjustability and low maintenance requirements makes this product a highly recommendable unit for all engaged in rail construction, rail maintenance and rail manufacture.

**Proof load:** 2 x WLL.

**Finish:** Yellow painted.

**Note:** All WLL apply to vertical lifting only.

**Safety factor:** 5:1
