

Mechanical Rack Jack POWERTEX PRJ

Product information

POWERTEX

POWERTEX PRJ Mechanical rack jacks are suitable for working in both vertical or horizontal position.

The jacks are durable, easy and safe to operate as lifting can be made from the head or claw (same capacity).

Features:

- Safe – each jack is proof load tested 1,25 x WLL and inspected before delivery from the factory
- Very stable thanks to the large ground plate
- The crank is foldable and equipped with ergonomic handle grip
- Delivered with Declaration of Conformity and User's manual

Marking: According to standard, CE-marked

Standard: EN 1494
